

The RVNAF English Language School was in existence in 1958.

The following is part of a declassified report:

Vietnamese Armed Forces Language School (AFLS) : This command on numerous occasions has attempted to procure qualified interpreters for the CIDG program. The AFLS quotas for ARVN NCOs assigned to 5th SFGA is insufficient to support present operational requirements. To rectify this situation, the VNSF-HC and the 5th SFGA have asked and received permission to send VNSF and CIDG personnel to the Vietnamese Armed Forces Language School in Saigon every month for twelve months beginning January 1969. The course of instruction is approximately eighteen weeks in duration. To date, 38 VNSF and 76 CIDG students have been enrolled in the AFLS. The first class enrolled on 13 January 1969 is tentatively scheduled to graduate on 14 June 1969.
